

FRONT

BACK

How To Make

1 Print the template.

2 Cut out the front and back pieces.

3 Cover both sides of each piece with clear tape.

4 Cut out the nose hole on the front piece.

5 Slightly inflate a small balloon and tie it.

6 Place the balloon behind the nose hole and secure it with tape.

7 Tape the front and back pieces together, leaving a small opening.

8 Add soft filling.

9 Seal the opening with clear tape..

10 Gently press Desi and watch her nose pop out!
