DIY Squishy

Gingerbread Squishy

Printable Template

PDF

How to Make a Squishy

1. Cut out the two pieces.
2. Tape the edges, leaving a small opening.
3. Add stuffing (cotton, felt scraps, etc.).
4. Tape the opening closed.
5. Your squishy is ready!

Materials:

- Printed template (PDF)
- Scissors
- Tape (clear or washi tape)
- Stuffing (cotton, felt scraps, etc.)
